All dates are tentative and subject to weather.

Teeing Position:

The majority of the golfers will tee off from the **White Tees**. Some may choose to play from other tees if they are eligible and agreed with the Convenor. Once a decision on Tees is determined, you must remain there all year. If you do not have an Official Golf Canada handicap, one will be assessed after the first two weeks of League Play.

We intend to encourage spirited competition, but our main purpose is to ensure ALL golfers have a great experience!
